

THE OIL SPOT

www.northwestbritishclassics.com

A stylized illustration of two classic cars, one white and one red, with a large Union Jack flag in the background. The white car is in the foreground, and the red car is behind it. The background is black, and the Union Jack is a large, prominent red and white flag.

BRITBULL XXIV

GRANT PARK, SPOKANE, WA • AUGUST 8 2021

President's Note

I can say, without a doubt, that BritBull XXIV was a resounding success. The array of British motorcars on that fine 8th day of August was magnificent. You can see photos of every entrant in full color here in this BritBull Issue. The venue at Grant Park in Spokane was grassy and shady. Even the weather was sunny and lovely. The rain held until the exact moment the final door prize was presented!

More new members were signed on during BritBull. More about them and their LBCs in the next Oil Spot.

The final tally shows there were a total of eighty-six motorcars on display, and half were drive-ups who registered on the morning of the show! We awarded nineteen trophies. We sold out of shirts and sweatshirts, to enthusiasts who went home with

proof of attendance at the Inland Northwest's Premier Car Event. At the NWBC annual picnic, always held two weeks after BritBull, treasurer Kevan McCallum mentioned that the club made about a thousand dollars from BritBull.

Most importantly, a tip of the driving cap to BritBull Producer, Jim Houghton. He has a note you will want to read below.

— Dave Hofstadter

BritBull acknowledgements

We did it! We were able to hold our annual car show after its cancellation last year. We had heard all kinds of stories about lagging attendance from other clubs, but the day of BritBull dawned clear and pleasant and British car folks came out in force to enjoy the day. We had a little rain right at the end that just couldn't wait another hour but that was fine, too. We all enjoyed the show.

There are so many who deserve thanks and recognition for all their contributions, from Roger and Shannon Potratz who did the artwork for the shirts to Mick Heckathorn & Nicki Thiot who evidently did a very effective job of placing the show signs around the Perry District; Robert Andrews and Leigh Ann Voss for photographing every entrant and compiling the BritBull edition of the Oil Spot; Gary High and all of the parking crew who got every car in its proper place; the judging firm of Martin, Newland, High, and Yarbrough for their knowledge and integrity in selecting the best in show. The Best MG in the show was chosen by Bob Hughes' group from the MG Club. The registration trio of Diane Hofstadter, Peg High and Maddy Houghton made sure everyone was properly entered. Our "sales department", Sandy Shaw, sold out every vintage shirt as well as our entire stock of 2021 shirts, too. And our new Treasurer Kevan McCallum did all of the computer work of registering and scoring the winners with incredible speed and accuracy. We owe a special thanks to our esteemed leader, Dave Hofstadter, for his guidance and hosting talents during the trophy presentations. And to all of the previous Show Directors for the example they set and the notes they left for the new guy to simply follow, my sincerest gratitude. Now on to a new year and an even grander event in 2022.

Finally, a massive thank you to everyone in the Club,

- Jim Houghton
